

Mariposa Trails - COVID -19

Protocols and Screening

Your safety is important to us!

In addition to the COVID screen-check (see below), the following protocols are followed:

- All volunteers must pass the self-assessment (see link in footer)
- All volunteers must maintain a social distance of at least 6-feet between others
- Carpooling is not permitted
- No more than 10 people will attend the trail-tending outing
- Maintain a separation of at least 10-feet when hiking to work site
- Small teams will be formed, with teams separated from each other by at least 20-feet
- Sharing of tools will be allowed, but the handles must be cleaned with disinfectant wipes
- Anyone showing signs of sickness must immediately separate themselves from the outing
- Must not share water bottles or other food/beverage items

Volunteer Intake Self-Assessment

Volunteer Name: _____

Date: _____

PART A

Initial

1. My current temperature _____ degrees F (over 100 degrees F is considered a fever) _____
2. My temperature has not been above 100 in the past 24 hours. _____
3. I acknowledge that social distancing may not be possible at all times during a trail tending event. _____
4. In the event I contract Covid-19, I will notify Mariposa Trails as soon as possible. _____

PART B

Yes or No

- In the last 14 days, have you had a fever greater than 100, shortness of breath, body-aches or coughing (not attributable to allergies) or been diagnosed with COVID-19 (presumptive or positive test)? *If yes, you cannot join the crew until cleared by a medical professional or you meet CDC guidance on "Discontinuation of Isolation."* _____
- In the last 14 days, have you had close contact with someone who may have COVID-19? This includes anyone with a positive COVID-19 test or who has COVID-19 symptoms (fever greater than 100, shortness of breath, body-aches or coughing (not attributable to allergies)). *If yes, you cannot join the crew until cleared by a medical provider or until 14 days after the last date of exposure.* _____
- In the last 14 days, have you assisted in the care of an individual (outside your household) who is not well? *If yes, you cannot join the crew until cleared by a medical provider or until 14 days after date of exposure.* _____
- In the last 14 days, have you returned from another country or high-risk area? *If yes, you cannot join the crew until cleared by a medical provider or until 14 days after return.* _____

Date: _____

Respond Yes or No

Type "A" Symptom			Type "B" Symptom					
<i>Temperature</i>	<i>Cough</i>	<i>Shortness of Breath</i>	<i>Chills</i>	<i>Muscle Pains</i>	<i>Headache</i>	<i>Sore Throat</i>	<i>Loss of Taste/Smell</i>	<i>Contact with Covid patient</i>

According to the CDC, any person with one "A" symptom, or at least two "B" symptoms may have Covid-19. If you meet these thresholds, you cannot join the crew until cleared by a medical provider or until 14 days after the last date of exposure.
