

Moonlit Hike on Savage Lundy Trail with Mariposa Trails

Witness the majesty of the hills as they shift from day to night

- 7.5 mile round-trip with total 4,000 elevation gain/loss
- Experience amazing views of the South Fork River Canyon
- Watch as twilight turns to dark, with the final leg of the hike lit by only moonlight
- Hike will end around 8 p.m.

**November 5th, 2022
10:30 a.m.**

This is a very strenuous hike. For safety we will be discussing with each potential hiker their ability to join this adventure.

Meet at the Jerseydale Fire Station. The trailhead is 4 miles from the fire station on a dirt road (high clearance vehicles recommended). Carpooling from parking area to trailhead will be arranged.

To participate in this hike, sign up at MariposaTrails.org under "Get Involved."
